# 2-3 DAYS

ON SEALED AND  
GRAVEL ROADS

## TO THE BORDER \ AND BACK

QUICK GETAWAY  
ADVENTURE TRIP. 4WD  
& ALL WHEEL DRIVE  
WITH CLEARANCE

Already in Outback Qld and want to tick off stepping foot in the Northern Territory? This trip is for you! It's a great taster of the Australian outback, driving west from Winton stopping at Cawnpore lookout, Middleton Pub, Boulia, the majestic Georgina River and onto the gravel to the Qld/ NT Border. You've made it!

### CAMPING

Slip into the NT and camp the night at Tobermorey campground, and enjoy some of the best stars you've ever seen. On your way back explore Boulia- see the Min Min encounter, the stone house and Inland sea fossils. Collect a momento at Ann Britton's Photography or the Waddy Tree.

### 4WD

Got a 4WD? Take it through one of two routes; Bladensburg National Park where you can camp another night. You are on the back way to Winton via Lark Quarry, or head back towards Boulia via Urandangie (the most western weather station in Qld) -turn left not far over the Qld border and head north, then connect back onto the Mt Isa/ Boulia Rd. Either camp or make it back to Boulia for dinner at the Australian Hotel.

Those without vehicle clearance, go back the same way and enjoy the scenery coming back.
