

ITINERARY 2

ALICE AND TO THE NORTH

FLY TO ALICE AND SPEND 5-DAYS EXPERIENCE THE
LAND OF PLENTY

DAY ONE

Fly into Alice, rent a vehicle then head off on your adventure, start heading north on the sealed road to Gem Tree (on the Plenty Highway) for a fossicking tour.

Hang around Gem Tree for a mouth-watering Camp Oven dinner relaxing under the stars. You can choose to camp overnight in either tents or a cabin, but remember to book ahead as word has gotten around that this is a beautiful place!

DAY TWO

Head back to explore Alice Springs - start by seeing the Telegraph Station on your way into town, then head out towards the Desert Park, lunch in Todd St Mall, then over the Todd to Olive Pink Botanical gardens before signing up to a camel trip tour with a camp out included! A unique way to see scenery and animals amongst the roads less travelled.

DAY THREE

Back from camp, head out and explore the East Macdonnell Ranges, Trephina Gorge and then onto Ross River Station for lunch and a relax. A fantastic local spot to stop and have a rest, and enjoy the company. Moving along and back into Alice for dinner, try Overlander's steakhouse restaurant for a fresh and tender steak! It's very popular, so book ahead to secure a spot.

DAY FOUR

Stay on in Alice and explore the magnificent art galleries in town, including the natural rock art tour from Ricky Orr's Rainbow Valley Cultural Tours or finish off the day with some beautiful bush foods from RT Tours.

DAY FIVE

Finishing exploring town and say a fond farewell to the centre.

Please note: Road Conditions: Most roads in this trip are sealed good gravel roads and are OK for a solid 2WD.
